Examples of events that which may lead to a restriction of privileges:

Wed 5/22/13, Mr. Tiefel  
Memory Work - Passages ← **Missing Assignments**

This is the students third note this quarter. Please contact the teacher to schedule a detention.

Detention  
No Recess ← **Consequence(s)**

When a student fails to properly complete or hand in an assignment, the student will receive a **note home**. The grading software will automatically send an email notifying parents, and the student will receive a printed copy showing the missing assignment(s). When a note is received, the student is automatically restricted and loses one recess. The restrictions will continue until the parent confirms they have been made aware of the note. Parents or guardians should notify the teacher by signing the note that is sent home with the student (or you may contact Mr. Schaller via email or text). Every third note each quarter will result in an after school detention. Times will be worked out between the parents and teacher. Notes may also be received for other reasons, such as misbehavior or failure to follow directions.
