

MESSIAH LUTHERAN SCHOOL

Fee Explanation

"Let the little children come to Me..." Mark 10:14

The purpose of our school is to assist parents in teaching their school-aged children the will of the True God and the way to eternal life. Therefore, the congregation provides dedicated teachers and largely supports the school through member contributions. To help defray this cost, the Board of Education has set the following fees for the current school year:

BOOK AND CLASSROOM RESOURCE FEE.....\$15.00 per student

This fee will be used for expenses associated with the purchase and replacement of textbooks, workbooks, and any other item used as a text or reference text, *excluding* hymnals, catechisms, and Bibles. It will also be used for classroom resources that correlate with textbooks and are used during class instruction.

TECHNOLOGY FEE..... \$60.00 per student

This fee will be used for additions and enhancements to the school's technology.

SCHOOL EVENTS FEE..... \$40.00 per student

This fee will be used for expenses associated with school parties, school fairs, field trips, and other school events.

MILK FEE..... \$15.00 per student

Our school participates in the Federal Milk Program in which the government subsidizes the cost of the milk provided for the children. This fee will be used toward those costs not covered by the Federal Milk Program for the milk each child receives for their snack or noon meal. This fee does not apply to those children who qualify for the Federal Government Free Milk Program. For children receiving milk infrequently, the cost is 25 cents per half pint.

ATHLETIC FEE..... \$40.00 per student per activity

This fee will be used for expenses associated with the interscholastic and intramural athletic program along with the Lego League program.

STANDARDIZED TESTS FEE..... \$20.00 per student per activity

This fee will be used for expenses associated with the cost of materials to administer and analyze the Iowa Test of Basic Skills standardized tests.

PREKINDERGARTEN FEE..... \$25.00 per PreK student

This fee will be used for expenses associated with the PreKindergarten program. PreKindergarten students are exempt from all other fees listed above.
