

Getting Started – Step-by-step Instructions

The "Messiah School Builders Program" is designed to supplement our offerings to Messiah's Building Fund, working through the www.shopwithscrip.com website. This program includes almost 800 retailers who provide gift cards which provides a rebate to non-profit organizations. The consumer receives the full amount of the gift card, with a typical rebate of 2-7% going to Messiah immediately. These funds will go directly to our Building Fund for our school expansion project. Shopwithscrip.com makes it convenient by offering physical and e-gift cards, electronic funds transfer, and easy reloading of cards via the Internet. There are also pre-paid Discover, Visa and Mastercard credit cards that can be used anywhere. **Here's how to get started:**

If you prefer the all-paper route, it's easy! Simply get the paper order form from the church/school office, make your selections, write a check to "Messiah Scrip," and leave it with the office personnel (or place it in Jennifer Roehl's church mailbox). Your cards will be available in the church office within about 10 days.

Ordering and paying online is even easier, once you set it up:

1. Go to: www.shopwithscrip.com

2. Click "Join a Program"

5. Once you've registered you can set up online payment options through your bank account (PrestoPay).

Note that you can pay for your purchase with a credit card; however, you are charged 2.6% when you do. "PrestoPay" through your bank account is much better – the charge is only 15 cents per transaction.
